## ***MESSAGE FROM MAYOR SCARPITTI***

On behalf of Members of Council and the City of Markham, I am pleased to extend our best wishes to all those attending the 10<sup>th</sup> Anniversary Creative Art Show hosted by the Beware Wet Paint Progressive Art School.

The City of Markham's cultural mandate is to enhance and promote artistic and cultural expressions, to share experiences and to engage people through culture and the arts.

We are delighted that your special 10<sup>th</sup> anniversary show will provide a vibrant forum for your students to display their art work.

We commend you for enhancing art skills and experiences within our community. Growing from 50 students to over 150 students of all ages in 10 years, while also achieving local and international success, and contributing to various community and charitable events, is incredible testament to your success.

As Mayor, I am pleased to extend our best wishes on your special anniversary, and wish everyone a most enjoyable Art Show.

Sincerely,
